

About Us

Formed in 1982, the club has grown rapidly to become one of the largest naturist clubs in the UK. Our purpose in life is to combine the freedom of camping and caravanning with social naturism. Membership is open to all naturists.

Suntreckers is run by members, for members. The national committee are volunteers elected at the AGM. Our venues include naturist clubs with full facilities, commercial naturist camp sites, and field sites.

How we work

At the beginning of each year members receive their yearbook. This contains a list of all the rallies, along with details of the venues, local area, directions, and contact details.

Members can book stays at rallies for periods convenient for them, from one night to the full duration of the rally.

Members are kept up to date with news, views, and events in our quarterly magazine and on the website.
